

EBSC Travel Program Policy Observance

These guidelines are established to define the expectations of the EBSC travel team coaches, players and parents/guardians. This policy is an addendum to the EBSC By-Laws. Full details are available on the EBSC web page (www.ebsoccer.com). These guidelines are intended to establish baselines for all EBSC travel teams. Individual coaches may supplement this policy with team-specific rules, so long as they fit within the policy established herewith.

All EBSC players, parents and coaches are expected to read and sign this policy at the beginning of each season.

Players are expected to attend all set practices, scrimmages, and games. Exceptions will be made for excused absences. These excused absences need to be communicated to the head coach, assistant coach, or team manager in advance of missed session if at all possible. Messages left on answering machines by a parent are acceptable. You will be provided with phone numbers and/or e-mail addresses. Please use them.

In the event that a player is suspended from a team, he or she may be reinstated to the team after holding a meeting between the player, parent or guardian, and head coach, with oversight by the VP-Travel. Reinstatement is dependent upon the player and parent agreeing to abide by the guidelines established in this handbook. Upon being suspended from the team, the player and parent can appeal this decision to the EBSC Travel Management Team and the Board of Trustees.

All players will show respect to their teammates, referees, opposing players, parents, and coaches on or off the field. This holds for practices and games. Players in violation of these guidelines will be subject to reasonable disciplinary action as set forth by the head coach.

Please sign this page and return it to your head coach.

I, _____, have read the EBSC Travel Soccer Team Handbook. I agree to abide by the guidelines and code of conduct as set forth in this document. I understand that violation of these guidelines could subject me to disciplinary action as set forth by the head coach and/or EBSC's VP-Travel
